

Public Notice

On Monday, February 25, 2008, weather permitting, traffic routes into Baptist Medical Center from North State Street will change due to construction. One side of the boulevard at the main hospital entrance at North State and Manship streets will be closed, and this entrance will become two-way traffic only. This entrance will be limited to patient drop-off and pick-up only.

Guests and visitors should enter the campus from North State Street at the entrance located just south of the Medical Arts West building. This entrance leads directly into the parking garage.

The entrance to the ER will remain in the same location.
